## CLOTHES (2-paragraph assignment)

Going shopping is fun; however, it is better when you shop for clothes.<sup>1</sup> Everyone has clothes and still goes shopping for more than what they need - that's what makes life interesting.<sup>2</sup> People in today's world are jealous, competitive, envious.<sup>3</sup>

When I go shopping I like to bring a lot of money which means only one thing: I need a job.<sup>4</sup> I want the money so that I can buy new clothes; I want to wear my clothes and feel bold, proud, beautiful.<sup>5</sup>
